

SPORTING CLAY SHOOT OUT

JOIN US AND AIM HIGH FOR MINNESOTA WHEAT

Tuesday, August 9, 2022

The Minnesota Association of Wheat Growers would like to invite you, growers and industry representatives from the region, to join them for a fun afternoon of shooting clays while getting to know others. Experts, novices and beginners are all welcome! If you don't have a shotgun but would like to participate, just let us know.

Shoot Out participants will be treated to an afternoon of fun, food and shooting enjoyment, with each person shooting at over 50 clay pigeons from a variety of stations. There will be contests and awards that will make the day a memorable one. It's a great way to have fun, network with others, and to get some shooting practice in before the fall hunting season.

The Shoot Out will take place at the Northwest Sporting Clay Association in Thief River Falls, MN. The course is along the sand ridge northwest of Thief River Falls. It offers stations that are in mature stands of oak trees and along rolling slopes of the

sand ridge as well as in a converted gravel pit. There are also a couple of open field stations that will get you ready for upland game hunting. Northwest Sporting Clay Association course has a variety of stations including: Right to Left Crossing, Left to Right Crossing, Rabbit and Bird Mini's, Going Away, Coming at You, and closed woodland and open fields.

The Northwest Sporting Clay course is 3 miles North of Thief River Falls on Hwy 59 then 1.5 miles West. (Roads will be marked).

Please join us Tuesday, August 9, 2022. Registration starts at 1:30 p.m. with the Shootout to follow at 2:30 p.m.

Your evening will wind down with a social and wonderful supper. *Don't forget about the awards!*

Registration is \$80.00 per person.
