

**Minnesota Wheat Research and Promotion Council**

**Annual Research Progress Report**

Due November 15<sup>th</sup>

**Audience:** This information will be utilized to create a research reporting booklet that will be distributed to growers and crop consultants. This is a great opportunity to communicate your research directly to growers. Please keep your producer audience in mind when submitting your report. Reports will be printed in **COLOR** – please include color figures and photos to help explain your results to growers!
