Recurring Payment Authorization

Recurring Payments Will Make Your Life Easier

Schedule your payment to be automatically charged to your Visa, MasterCard, American Express or Discover Card.

Here's How Recurring Payments Work:

You authorize an annual scheduled charge to your credit card. You will be charged the amount indicated on the membership form each year. A receipt for each payment will be emailed to you and the charge will appear on your statement. You agree that no prior-notification will be provided unless the date or amount changes, in which case you will receive notice from us at least 10 days prior to the payment being collected.

By choosing Auto-renew on the membership form, you are authorizing **Minnesota Association of Wheat Growers** to charge your credit card for the amount chosen on the form, annually, on or around the 10th of your Anniversary Month for payment of my Minnesota Association of Wheat Growers membership dues.

I understand that this authorization will remain in effect until I cancel it in writing, and I agree to notify **Minnesota Association of Wheat Growers** in writing of any changes in my account information or termination of this authorization at least 15 days prior to the next billing date. If the above noted payment dates fall on a weekend or holiday, I understand that the payments may be executed on the next business day. I certify that I am an authorized user of this credit card account and will not dispute these scheduled transactions with my credit card company; so long as the transactions correspond to the terms indicated in this authorization form.
